Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

Cibola High School is 26 years old. The original roofing is in need of repair. Several areas are blistered, peeling and cracking. District maintenance has patched some of these areas, but the extent of work is greater than what our staff can handle.

Project Category: Roofing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N
